

Drop Ship Services

No time to get measurements and buy shipping boxes?
No time to organize and print labels? No time to pack everything up and take it to the post office or courier drop-off?

WE AGREE....YOU DON'T HAVE TIME. BUT WE DO!

Sending a gift directly to each client is as simple as 1, 2, 3...

1. Create your list on our supplied Excel spreadsheet
2. Email the finished spreadsheet to: info@sweetengravings.com
3. Go and get yourself a coffee and relax!!

We will look after everything from here on out:

- Process and proof your customer list
- Pack your gift in custom foam-lined corrugated mailers
- Apply shipping label, mailer label and add gift card (if ordered)
- Ship your gift to each client on the list
- Email you tracking information on all shipments
